

SAVE SEAFORD WASTE TIP

The County Council wants to close Cradle Hill
and make us all go to Newhaven

How can you stop them???

The only way to stop the closure is to
object in writing to:

Stephen Potter
Communities, Economy & Transport
East Sussex County Council
County Hall
St Anne's Crescent
Lewes BN7 1UE

The letter can be very short and simple just stating how it will inconvenience you and reduce your recycling efforts. Or you can add more concerns - these are detailed on the campaign website.
Act now to make sure your letter counts.

Visit the campaign website - www.stfc.org.uk

It has lots of information on what *you* can do to help save *your* tip
and how to do it.
