

Seaford Town Council - Press Release

Seahaven Storehouse Needs Your Help

Seahaven Storehouse has recently experienced an increase in the number of families that they provide food parcels for and therefore are in need of helpful donations of tinned and packaged food from members of the public to assist with this.

Mark Brown Mayor of Seaford has requested on behalf of Seahaven Storehouse that anyone that has anything they can spare, please would they be as kind as to support the cause and donate some items.

If you are willing to donate and would like to find out how, please contact Dawn on 07921844930.

Seahaven Storehouse is a Seaford based charity organization that helps individuals and families in need within the Seahaven area by providing them with basic food items.
