

# Seaford Town Council - Press Release

## Old Town Hall available to rent

Seaford Town Council are sad to announce that the lease with St James Trust, for the Old Town Hall, which comes to an end on 31st March 2015 after a 5 year term, will not be renewed by the charity; a letter confirming the decision was received by the Town Clerk on the 15th January.

The Trust has made the decision to concentrate their efforts on their building in Blatchington Road, making improvements and expanding the services to the people of Seaford; they will be closing the drop in service at the Old Town Hall at the end of February.

Seaford Town Council is therefore inviting expressions of interest from interested parties. If you know of any organisations or groups that would benefit from the use of a functional indoor space and a facility that holds much historical value in Seaford then please contact Seaford Town Council for more information; either on 01323 894870 or an email addressed to The Projects & Facilities manager on [admin@seafordtowncouncil.gov.uk](mailto:admin@seafordtowncouncil.gov.uk).
